

NEWS AND INFORMATION

INDUSTRIAL PRODUCTS NOW AVAILABLE

Five new industrial products from Cantesco

The Industrial Products Division of Cantesco Corporation introduces its new line of industrial chemical products.

These products include a citrus orange cleaner (COL), general purpose silicone lubricant (SSL), food grade silicone lubricant (FGS), moly gear

lubricant (MGL), heavy duty moly penetrant (HDM) and an all metal tapping & drilling fluid (AMT).

These products have a wide range of manufacturing and MRO applications and all feature Cantesco's 100% aerosol spray out guarantee.

All of these aerosol products are labeled in English, French and Spanish and feature Material safety Data Sheets that are OSHA and WHMIS compliant.

All of these products are available in economical 20 oz cans and feature a minimum twelve month shelf life from date of manufacture. Cantesco products are bar coded and lot number (human readable) and include the date of manufacture

on all outer packaging.

CANTESCO® products are available through distributors and wholesalers located across North America and around the world including Australia, the Middle East, Europe, Mexico, the Philippines and Latin America.

For product literature, samples or a copy of our PRODUCT SPECIFIC CATALOG visit us on the web or email us at sales@cantesco.com.
