

NEWS AND INFORMATION

CANTESCO RE-CERTIFIED TO ISO 9001:2000 STANDARD

Successful re- registration for ISO Quality System

Cantesco had its Quality System audited and re-certified in October by Intertek Services. The scope of our registration covers the manufacture of chemical specialty products for welding, transportation, industrial, consumer and water treatment products.

HOW TO REACH US

In the US: (716) 693-8206 ph
(716) 693-8373 fax

In Canada: (905) 624-5463 ph
(905) 624-2840 fax

Copies of our certification (available in English, French and Spanish) are posted on our web site www.cantesco.com. To download a copy just click on ISO9001:2000 on the left navigation bar. Additional information on our quality system can be found in the About Us section of our web site.

Objectives of our ISO 9001:2000 Quality System include:

- continuously improving our products to meet the needs of our customers;
- developing new products;
- delivering defect-free products on time.

Complete traceability from raw materials to finished product; independent product testing; certification and compliance to military, nuclear, ASTM and

ASME standards ensure that Cantesco delivers quality products.

CANTESCO® products are available through distributors and wholesalers located across North America and around the world including Australia, the Middle East, Europe, Mexico, the Philippines and Latin America.

For product literature, samples or a copy of our PRODUCT SPECIFIC CATALOG visit us on the web or email us at sales@cantesco.com.
