## CANTESCO JOINS WEMCO

### Latest company to join growing industry committee

Cantesco has recently been accepted by the American Welding Society as a new member of their standing committee the Welding Equipment Manufacturers Committee (WEMCO), which represents over 90 of the top executives in the welding industry.

By demonstrating the ability to meet the criteria set forth by AWS, WEMCO affiliated

manufacturers such as Cantesco have proven they are registered manufacturers within the U.S., responsibly run, and dedicated to supplying products that meet or exceed AWS and ANSI product specifications and guidelines.

Welding project managers, engineers and welders using these products can do so in confidence by selecting products supplied by manufacturers that have met criteria established by AWS, identifying quality companies in the business of servicing and supplying products to the welding industry.

With distribution points in Mississauga, ON, Buffalo, NY and Antwerp Belgium, Cantesco Corporation is uniquely suited to meet the demanding needs of today's global manufacturing companies.

CANTESCO® products are available through distributors and wholesalers located across North America and around the world including Australia, the Middle East, Europe, Mexico, the Philippines and South America.

Established in 1982, Cantesco will be celebrating its twenty-fifth anniversary in business in 2007.
